

## **Berufsschau (job exhibition) 2019 in Pratteln – guided tours in your language**

Dear parents, dear interested visitors

Is career choice imminent for your child or would you yourself like to learn about apprenticeships in Switzerland? Then you should not miss the **“Berufsschau” (job exhibition) in Pratteln**. Between **23<sup>th</sup> and 27<sup>th</sup> October 2019** this event will introduce you to the Swiss education system.

We will provide information about the different possibilities for you or your children in Swiss vocational education. So also bring along your sons and daughters for them to experience the amount of jobs at the “Berufsschau”. Professionals on site will answer all questions like “Where and how do I find an apprenticeship?”, “What shall I do after my apprenticeship?”, “What possibilities of advanced training do I have?”, “Which vocational school will I attend?” or “How much am I going to earn?”

On Saturday, 26<sup>th</sup> October, there will also be guided tours in your language. You can find detailed information and sign up for the tour online: [www.berufsschau.ch/fuer-eltern](http://www.berufsschau.ch/fuer-eltern). You are highly welcome and we are looking forward to your visit!
